

Give IT a Go Morning

Worried about using a mobile phone?
Concerned that computers are too complicated?

In [getonlineweek](#), The JNC is offering an event to help you enter the digital space and learn new ways to connect with others and manage tasks online

On Thursday 18 October, come along to Pacific Square, Anzac Parade, Maroubra, between 9.30am and 12.30 pm

Our **computer tutoring volunteers** will be there to help you with any questions you have about the use of your laptop, tablet or smartphone.

With our help, you'll be able to "**Try one thing**" - the slogan of [getonlineweek](#), which was created with the aim of enabling people to learn (at least) one new thing about being online

Give IT a go or you'll never know!

As well as tutoring, we'll supply tip sheets on:

- Shopping online
- Staying safe online
- Managing your money ... and more

Other info

Our stall will also offer information about our many services and programs to enable you to grow in wellbeing and make connections to the community. Learn about our one-on-one computer tutoring for people over 55 years, our services for older people and families, our many volunteering opportunities ... and more
